IN THE DISTRICT COURT

DALLAS COUNTY, TEXAS

116th JUDICIAL DISTRICT

DECLARATION OF TOMER DAMTI

1. My name is Tomer Damti, and I am a resident of Collin County, Texas. I am over 18 years of age, am of sound mind, have personal knowledge of the factual statements herein, and am competent and authorized to make this declaration.

2. I started ACET Venture Partners, LLC (“ACET Venture Partners”) in 2012. Over the course of several years, I built ACET Venture Partners’ business operations through multiple unique relationships with vendors and customers. The products that ACET Venture Partners sold were because of these unique relationships I personally established.

3. I served as Chief Executive Officer of Defendant ACET Global, LLC (“ACET Global”) from July 2017 until I was fired on February 12, 2018 by Defendant Tony Ludlow.

4. Prior to the execution of the Collateral Assignment of Rights, David Hook represented to me that Super G Capital LLC did not have a relationship with any of the Baymark entities: Baymark ACET Holdco, LLC; Baymark ACET Direct Invest, LLC; Baymark Management, LLC; or Baymark Partners.

5. I relied on this representation in agreeing to subordinating Plaintiff's interests in ACET Global to Super G Capital LLC's interests in ACET Global pursuant to the Collateral Assignment of Rights.

6. Further, David Hook represented to me that I would maintain my position as CEO of ACET Global so long as the Secured Promissory Note was owed to Plaintiff. The original amount of the Note was \$3,230,000.00.

7. I relied on this representation in agreeing to the Secured Promissory Note.

8. After the Asset Purchase Agreement, Secured Promissory Note, Security Agreement, and Collateral Assignment of Rights were executed, the Baymark parties¹ brought in William C. Szeto to work at ACET Global.

9. On January 10, 2019, I was emailed a scanned copy of a memo executed by William C. Szeto on Windspeed Trading, LLC ("Windspeed") letterhead, dated January 10, 2019, (the "Memo") from ACET Global's Toshiba business scanner. Attached hereto as Exhibit B-1 is a true and correct copy of the Memo.

10. On December 6, 2018, I was emailed a scanned copy of an Authorize.Net Request for a New Account Owner executed by Jane Lin, dated December 5, 2018, (the "Request for New Owner") from ACET Global's Toshiba business scanner. Attached hereto as Exhibit B-2 is a true and correct copy of the Request for New Owner.

11. Super G Capital, LLC issued a Notice of Disposition and Sale of Collateral dated January 31, 2019 ("Notice of Disposition"), which I later received. Attached hereto as Exhibit B-3 is a true and correct copy of the Notice of Disposition.

¹ For purposes of this Declaration, "Baymark parties" generally refers to David Hook and Tony Ludlow, as well as the following entities: Baymark ACET Holdco, LLC; Baymark ACET Direct Invest, LLC; Baymark Management, LLC; and Baymark Partners.

12. Additionally, on September 14-15, 2021, I emailed Matt Denegre, Director of Defendant Baymark Partners, regarding my 2019 tax forms related to Defendant Baymark ACET Holdco, LLC (the “Emails”). Matt Denegre admitted that “one of the partners” of Baymark ACET Holdco LLC was “a related party” to Super G Capital. Attached hereto as Exhibit B-4 is a true and correct copy of the Emails.

13. On February 25, 2021, I personally visited the website “archive.org” and obtained a copy of Windspeed’s “Home Page” website address (<http://www.windspeedtradingllc.com>), as of December 12, 2018. Attached hereto as Exhibit B-5 is a true and correct copy of Windspeed’s “Home Page” website address, as of December 12, 2018.

14. Plaintiff (and later ACET Global) operated its business through the following website address: <http://www.koolulu.com>. On February 25, 2021, I personally visited the website “archive.org” and obtained a copy of ACET Global’s “Jewelry” website address (<http://www.koolulu.com/jewelry/>), as of August 25, 2018. Attached hereto as Exhibit B-6 is a true and correct copy of ACET Global’s “Jewelry” website address, as of August 25, 2018.

15. On February 25, 2021, I personally visited the website “archive.org” and obtained a copy of Windspeed’s “Jewelry” website address (<http://www.windspeedtradingllc.com/jewelry/>), as of December 12, 2018. Attached hereto as Exhibit B-7 is a true and correct copy of Windspeed’s “Jewelry” website address, as of December 12, 2018.

16. Both ACET Global and Windspeed’s websites are strikingly similar. They (1) market the exact same 10 jewelry products, (2) with the exact same 10 pictures, (3) in the exact same order, (4) with the exact same product descriptions, and (5) with the exact same typographical error (both webpages describe the fourth jewelry product as follows: “Moments of Happiness Crystal Necklace with Anstrain Crystals”—an error intended to say “Austrian Crystals”).

17. On February 15, 2019, I was emailed a scanned copy of a 2018 Form 1099-K issued by Group, Inc. to Windspeed Trading LLC (the “2018 Form 1099-K”) from ACET Global’s Toshiba business scanner. Attached hereto as Exhibit B-8 is a true and correct copy of the 2018 Form 1099-K.

18. The 2018 Form 1099-K shows that Windspeed Trading LLC received amounts from payment card/third party network transactions as early as January 2018:

January:	\$23,941.87
February:	\$27,522.89
March:	\$6,680.06
April:	\$3,837.13
May:	\$2,399.39
June:	\$2,061.40
July:	2,130.26
August:	\$1,988.86
September:	\$657.47
October:	\$606.41
November:	\$834.54
December:	\$2,795.50

19. On November 6, 2020, Defendant David Hook served his Objections and Responses to Plaintiff’s First Set of Interrogatories. Attached hereto as Exhibit B-9 is a true and correct copy of David Hook’s Objections and Responses to Plaintiff’s First Set of Interrogatories.

20. Attached hereto as Exhibit B-10 is a true and correct copy of koolulu’s official logo. It is obvious that Windspeed copied ACET Global’s website because it failed to change the favicon

(the tab icon). The favicon of Windspeed's website clearly shows the signature "owl eyes" of koolulu's official logo.

My name is Tomer Damti, I am the director of Plaintiff D&T Partners, LLC (successor in interest to ACET Venture Partners, LLC), and my address is 2917 Chalfont Ln, Plano, TX 75023. I declare under penalty of perjury that the forgoing is true and correct.

Executed in Plano, Texas on February 25, 2021.

Re: Notice of Disposition and Sale of Collateral: Business Loan and Security Agreement dated as of July 20, 2017 (as amended, restated, or otherwise modified from time to time, the "Loan Agreement"), by and among ACET Global, LLC, a Texas limited liability company ("Borrower" or "Debtor") and Super G Capital, LLC, a Delaware limited liability company ("Lender" or "Secured Party")

Dear Borrower:

Events of Default have occurred and are continuing with respect to the obligations owed by the Debtor to the Secured Party under the Loan Agreement. As such, pursuant to sections 9.609(a) and 9.609(b) of the Texas Business and Commerce Code (the "Code"), Borrower must immediately surrender to Lender possession of the collateral described in the attached Exhibit A (collectively, the "Collateral"). Pursuant to section 9.609(c) of the Code, the Lender will take possession of the Collateral at the premises located at 5700 Granite Parkway, Suite 435, Plano, Texas 75024, or wherever the Collateral may be located.

Pursuant to section 9.610 and 9.611 of the Code, the Collateral will be disposed of in a commercially reasonable manner by private sale on or after the 11th day after the date of this letter. The Secured Party reserves the right to sell the Collateral in a single lot or in multiple lots, by way of one or more contracts, and on such terms and conditions as are agreed upon between the Secured Party and any purchaser of the Collateral. The Secured Party reserves the right to add to, withdraw, or otherwise modify or amend in any respect whatsoever all or any portion of the Collateral listed in Exhibit A as being subject to the sale, for any reason whatsoever. The Secured Party is not purporting to sell any interest in any asset that is (i) not owned by Borrower or (ii) not subject to a security interest in favor of Secured Party.

You are entitled to an accounting of the unpaid indebtedness secured by the Collateral that we intend to sell. You may request an accounting by contacting Steven R. Bellah at (214) 383-8100.

THE COLLATERAL WILL BE SOLD ON AN "AS-IS, WHERE-IS" BASIS, WITHOUT RECOURSE, REPRESENTATION, OR WARRANTY (INCLUDING, WITHOUT LIMITATION, WITH RESPECT TO TITLE, POSSESSION AND/OR QUIET ENJOYMENT), WHETHER

EXPRESS OR IMPLIED, OF ANY KIND, EXCEPT AS THE SECURED PARTY MAY OTHERWISE AGREE WITH THE BUYER.

Except to the extent that such right is waived, the Debtor, any secondary obligor, or any other secured party or lienholder has the right to redeem the Collateral at any time before the Secured Party has disposed of the Collateral or entered into a contract for its disposition by tendering payment of all indebtedness secured by the Collateral as well as any expenses reasonably incurred by the Secured Party in retaking, holding, and preparing the Collateral for disposition, in arranging for the sale, and, to the extent provided in the Loan Agreement and not prohibited by law, the Secured Party's reasonable attorneys' fees and legal expenses. If the proceeds of the sale are less than the amount owed to Secured Party, the Secured Party will seek to recover such amount from the Debtor and/or any secondary obligors in accordance with applicable law.

By selling and purchasing the Collateral pursuant to the private sale referenced herein, neither the Secured Party nor any purchaser of the Collateral shall assume any liability or obligation whatsoever regarding any debts, expenses, or liabilities of the Debtor or any other person or entity, and all such debts, expenses and liabilities shall not be assumed or deemed to be assumed by the Secured Party or any purchaser. Neither the Secured Party nor any purchaser shall be, or shall be deemed to be, a "successor" of or to any Debtor any other person or entity for any purpose.

The private sale referenced herein is not intended to be, nor shall it be deemed to be, a "strict foreclosure" or "acceptance of collateral in full or partial satisfaction of obligation" as set forth in Section 9.620 of the UCC. The Secured Party reserves all of its rights and remedies, of any and every type or nature whatsoever, against the Debtor and all other persons and entities for any and all deficiencies under any obligations remaining due to the Secured Party after the sale.

There is recourse because the lender is a related party to one of the partners; however, it doesn't really matter as I mentioned below. Here it is again:

"Ultimately, going through the above process is not necessary. **At the end of the day, with a dissolution, all partners' tax basis must go to zero.** Per the spreadsheet we sent you (attached), your tax basis starting out in ACET Holdco was -0-. Over the last two years (2017 and 2018) you were allocated \$365,824 of tax losses that reduced your basis to -\$365,824. Over the life of an investment, one cannot take tax losses of -\$365,824 on a -0- investment. The \$365,824 of income this year will offset those prior year tax losses."

Hi

What do you mean by recourse lender as all my K-1's are referring to non-recourse?

Thanks,
Tom

Tomer,

In the final year like this with a foreclosure / bankruptcy, there are multiple things that would normally happen to calculate tax gains/losses:

1. Assets would be marked up to FMV, with a gain being recognized for the difference between book value and FMV.
2. In this instance, with debt amounts being worth more than the assets, there would be a gain for the difference between the two (Cancellation of Debt or 'COD'). To give an example, if the FMV of assets was \$1M and the debt was \$3M, the Company would give \$1M of assets to 'pay' \$1M of the debt and the other \$2M would be a COD gain.
3. Because we have a recourse lender, i.e. the lender is a related party to one of the partners, this COD income is ordinary in nature.

Ultimately, going through the above process is not necessary. **At the end of the day, with a dissolution, all partners' tax basis must go to zero.** Per the spreadsheet we sent you (attached), your tax basis starting out in ACET Holdco was -0-. Over the last two years (2017 and 2018) you were allocated \$365,824 of tax losses that reduced your basis to -\$365,824. Over the life of an investment, one cannot take tax losses of -\$365,824 on a -0- investment. The \$365,824 of income this year will offset those prior year tax losses.

You may have other tax losses available to you regarding the note with the Company, but that is outside our purview. **You need to speak with your CPA** on how that note was treated for tax purposes and what you are able to recognize this year. We don't have enough information to answer that.

Matt, according to the agreement I didn't have anything to do with the company liability or debt therefore you should not report any cancellation of debt under me.

Please send me the breakdown how did you come to this figure

You need to amend that otherwise I will have to get an attorney involved and I am hoping I won't need to do so.

Thanks,

Tom

The company had loans from Super G and ACET Venture Partners (Seller Note). You had a zero capital account at the start and received your pro-rata share of losses for 2017 and 2018 (see below). Your pro-rata gain from the cancelation of the company debt in 2019 is offset against your losses, which brings your capital account to zero. The gain is offset by the losses.

<image001.png>

In addition, you should have a large write-off (loss) from your Seller Note, which you could use to offset any other income. The principal of the note was \$3.2M.

Instructions for Payee

You have received this form because you have either: (a) accepted payment cards for payments, or (b) received payments through a third party network that exceeded \$20,000 in gross total reportable transactions and the aggregate number of those transactions exceeded 200 for the calendar year. Merchant acquirers and third party settlement organizations, as payment settlement entities (PSE), must report the proceeds of payment card and third party network transactions made to you on Form 1099-K under Internal Revenue Code section 6050W. The PSE may have contracted with an electronic payment facilitator (EPF) or other third party payer to make payments to you.

If you have questions about the amounts reported on this form, contact the FILER whose information is shown in the upper left corner on the front of this form. If you do not recognize the FILER shown in the upper left corner of the form, contact the PSE whose name and phone number are shown in the lower left corner of the form above your account number.

See the separate instructions for your income tax return for using the information reported on this form.

Payee's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account number or other unique number the PSE assigned to distinguish your account.

Box 1a. Shows the aggregate gross amount of payment card/third party network transactions made to you through the PSE during the calendar year.

Box 1b. Shows the aggregate gross amount of all reportable payment transactions made to you through the PSE during the calendar year where the card was not present at the time of the transaction or the card number was keyed into the terminal. Typically, this relates to online sales, phone sales, or catalogue sales. If the box for third party network is checked, or if these are third party network transactions, card not present transactions will not be reported.

Box 2. Shows the merchant category code used for payment card/third party network transactions (if available) reported on this form.

Box 3. Shows the number of payment transactions (not including refund transactions) processed through the payment card/third party network.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN or you did not furnish the correct TIN to the payer. **DEFENDANT DAVID HOOK’S OBJECTIONS AND RESPONSES
TO PLAINTIFF’S FIRST SET OF INTERROGATORIES**

TO: Plaintiff, by and through its attorneys, Jason B. Freeman, Ryan C. Dean, Matthew L. Roberts, F. Edward Corts, Jr., FREEMAN LAW PLLC, 2595 Dallas Parkway, Suite 420, Frisco, Texas 75034.

Defendant, David Hook, (“Hook”) serves its Answers and Objections to Plaintiffs’ First Set of Interrogatories pursuant to Rules 193 and 197 of the Texas Rules of Civil Procedure, reserving the right to amend and/or supplement the same as additional information is obtained.

I. OBJECTIONS TO DEFINITIONS AND INSTRUCTIONS

1. Hook objects to Instruction “A” because of its inclusion of the phrase “or access” and because of its inclusion of the phrase “within the knowledge, possession, control, or access of any of your agent’s, officers, employees, attorneys, or investigators (including investigators of an attorney), or any person acting as your representative or on your behalf, including, but not limited to, any otherwise independent attorney, accountant, or consultant.” These phrases cause Instruction “A” to exceed the requirements of the Texas Rules of Civil Procedure. Hook will

respond to the Interrogatories by setting forth Hook's own knowledge regarding the subject matter of the Interrogatories.

2. Hook objects to Instruction "D" as exceeding the requirements of the Texas Rules of Civil Procedure. Hook is under no obligation to provide such a narrative response.

3. Hook further objects to the Instructions in Plaintiff's Interrogatories to the extent they otherwise go beyond the scope of discovery permitted under the Texas Rules of Civil Procedure or would require performance by Hook that is beyond what is required by the Rules.

4. Hook objects to the definition of "You," and "Your" as overly broad and requesting information from attorneys that is protected from discovery by the attorney client and/or work-product privileges. Hook further objects to the definition of "You" and "Your" as requiring Hook to respond to the Interrogatories on behalf of other named Defendants.

5. Hook incorporates each of the above-stated Objections into the Responses to specific Interrogatories set forth below as if stated in full therein.

II. OBJECTIONS AND RESPONSES TO INTERROGATORIES

INTERROGATORY NO. 1: Explain, in detail, the legal relationship between Super G Capital and any defendant, including any interest that any defendant has or has had during the past five years in Super G Capital, LLC or that Super G Capital, LLC has with respect to any defendant.

OBJECTIONS AND RESPONSE: Hook objects to Interrogatory No. 1 as being vague and ambiguous through its use of the terms “legal relationship” and “any interest.” Hook further objects to Interrogatory No. 1 as it requires Hook to respond with respect to the “legal relationship[s]” and “interest[s]” of Defendants other than Hook.

Consistent with and without waiving the above-stated Objections, Hook will provide information regarding any ownership interest Hook has in Super G Capital, LLC.

Hook has no ownership interest in Super G Capital, LLC.

INTERROGATORY NO. 2: List the name and contact information of each employee, shareholder, member, or partner of ACET Global, LLC, Baymark ACET Holdco, LLC, Baymark ACET Direct Invest, LLC, Baymark Management, LLC or Baymark Partners that has any ownership interest in Super G Capital, LLC or related entity.

- a. For each employee, shareholder, member, or partner listed, provide that person’s percentage of ownership in Super G Capital, LLC, or related entity.

OBJECTIONS AND RESPONSE: Hook objects to Interrogatory No. 2 as being vague and ambiguous by virtue of its use of the phrase “or related entity.” Hook further objects to Interrogatory No. 2 as it requires Hook to respond with respect to the “ownership interest” of Defendants other than Hook.

Consistent with and without waiving the above-stated Objections, Hook responds as follows:

Hook nor any of his employees or partners have any ownership interest in Super G Capital, LLC.

INTERROGATORY NO. 3: List the ownership interest that ACET Global, LLC, Baymark ACET Holdco, LLC, Baymark ACET Direct Invest, LLC, Baymark Management, LLC, or Baymark Partners or any defendant has or had in Super G Capital, LLC.

OBJECTIONS AND RESPONSE: Hook objects to Interrogatory No. 3 as it requires Hook to respond with respect to the “ownership interests” of Defendants other than Hook. Hook further objects to Interrogatory No. 3 as being duplicative of Interrogatory No. 1.

Consistent with and without waiving the above-stated Objections, Hook responds as follows:

See Response to Interrogatory No. 1.

INTERROGATORY NO. 4: Explain, in detail, the basis and grounds for the cancellation of indebtedness reflected on the K-1 issued by Baymark ACET Holdco, LLC with respect to its 2017, 2018, and 2019 amended 1065X.

- a. Provide the amounts of cancellation of debt income that was attributed to each partner of Baymark ACET Holdco, LLC.

OBJECTIONS: Hook objects to Interrogatory No. 4 as it requires Hook to respond regarding Defendant Baymark ACET Holding, LLC’s K-1s. Such Interrogatory is properly directed to

Defendant Baymark ACET Holdco, LLC. Hook further objects to Interrogatory No. 4 as being irrelevant to any of the claims asserted by Plaintiff in its Second Amended Petition.

INTERROGATORY NO. 5: List and describe (including the period of existence) any ownership interest that Super G Capital, LLC had or has had in ACET Global, LLC, Baymark ACET Holdco, LLC, Baymark ACET Direct Invest, LLC, Baymark Management, LLC or Baymark Partners.

OBJECTIONS AND RESPONSE: Hook objects to Interrogatory No. 5 as it requires Hook to respond with respect to the “ownership interest that Super G Capital, LLC has or has had” in Defendants other than Hook. Hook further objects to Interrogatory No. 5 as being duplicative of Interrogatory No. 1.

Consistent with and without waiving the above-stated Objections, Hook responds as follows:

See Response to Interrogatory No.1.
